Dear Driver,

Our mother, Erika Chavez, was killed by a speeder. Very few people can understand how it feels to lose your mother. We don't want anybody to go through what we have been through. We beg you to change your driving habits and not speed any more. It is not worth losing somebody you love or killing someone else to save a minute. Please drive safely in the future.

SPEEDING HAS A NAME - In Loving Memory of Erika Chavez

You are receiving this warning in response to a speeding violation. No action is required at this time.

Beginning [date], each instance of speeding captured by speed enforcement cameras will be subject to a \$100 fine. By staying within posted speed limits, you are helping to prevent crashes and save lives.
